“ Libba loved her Goldfinch family...and laughing with Cynthia. She relished the joy she felt in speaking of the generations before with those who followed. Mama treasured reminiscing with those she called “cuz”...and their children and grandchildren.

She and Cynthia found the same things funny and shared many a chuckle.

I wish she were here to comfort all of you now.

Our hearts are with all of you...Love, David and Betsy (Singleton) Choate

“ Cynthia was a dear friend as far back as I can remember. Our families were always friendly and it is a terrible loss to my husband and me as well as my brother when we think of all the good times we enjoyed over the years.
She has been carried to G-D on Angel wings and we know we will meet again when our times come. Much love to her family and our friend Sam. Please know our friendship
And love will always be with each of you. Blessings to Cynthia in the Heavens knowing she is no longer in pain and has been refreshed. Until we meet again. Much love from Hilda & David Wajnberg and Arthur Solomon

“ *Cynthia was a very special person. She was a VERY good friend to my sister, Chamela for many years and through that friendship she became a very good friend to me. She was a mess, and could always put a smile on my face and in my heart. I will always remember her love and kindness. God bless you all.*

“ I am so sad knowing she has gone. I can almost hear her in my head right now. She was such a good friend to me when we worked together a while back. She always had advice for you and wanted to know everything that was going on. When you were hurting she was ready to listen and I know many others feel the same way. To David and Will and family I am so sorry for your loss. Missing your Mom is gonna hurt everyday but keep talking to her she is always with you. In heaven there is no more pain for her. I also know how proud she felt of every single one of you cause she told me. Please know that you are all in my prayers. Love you all Mead Dusenbury and family.
