“ My last memory of Gary was of him coming by my house looking for his son Bobby, but we talked for over two hours. It was very healing for me, since my marriage to Gary was not what it should have been. I just wish it had been the same for Gary. It really hurt that he took his own life, but it also made me realize that I really did have a lot more feelings than just hate and mistrust for Gary. I hope and pray that his soul is finally at peace. We miss him.##imported-begin##Shirley##imported-end##
