“ *Mama, We all miss you, but know you are with our Lord. We will try to carry on without your earthly presence, but will know and feel your spiritual presence each and every day until we see you face to face again. The visitation tonight went well. You would have been proud of your children. You were loved by so many and they came to show their love and respect. We all cried tears of joy knowing that you are no longer suffering and that you are now in your heavenly home. Say hello to all the family there, and give daddy a big hug from us all and tell him we love him. We know that Sunday will be his birthday and ya'll will have a big celebration. I'm sure you are the best birthday present we could have ever sent him! Well, I'm going to say goodnight now, so rest now and know we'll be seeing you real soon. Love in Christ, Your daughter, Janet Little One*###imported-begin##Janet Winburn Elton###imported-end##
