“ *Pop till we meet again, I'll never be a day without you in my heart & soul and I treasure all the good times as well as the bad we shared throughout the years. You left us way to soon, I am trying to take comfort in the knowledge that you are in a far better place and no longer suffering or in pain but ya know it's kinda hard to do right now. Not to worry though I'll keep right on talking to you and I know you'll always be there as always when ever I need you. All my love now and forever your loving daughter....
