“ A I thought about Dale in the last few days I began to search for something that I thought Dale would be wanting to say to who is left behind. I found this from Helen Steiner Rice. Its called Look On The Sunny Side. There are always two sides- the good and that bad, The dark and the light, the sad and the glad... But in looking back over the good and the bad, We're aware of the number of good things we've had- And in counting our blessings, we find when we're through We've no reason at all to complain or be blue... So thank God for the good things He had already done, And be grateful to Him for the battles you've won- And know that the same God who helped you before Is already and willing to help you once more- Then with faith in your heart, reach out for God's hand And accept what He sends, though you can't understand... For our Father in heaven always knows what is best, And if you trust His wisdom, your life will be blessed...For always remember that whatever betide you, You are never alone, for God is beside you.
