Dana Gale Anderson, nee Hucks, age 75 of Myrtle Beach, South Carolina, passed away peacefully at her home on January 7th, 2023, surrounded by her family and lifelong best friend, Mary Lu Luongo.

In 1993 Dana graduated from Aynor Conway Career Center and Horry Georgetown Technical College and started a second career as a nurse.

Dana was an avid reader, loved to grow flowers, and cared for all animals great and small. She loved to travel, and her favorite place was on a cruise ship with Dennis and Mary Lu. She had a special relationship with her granddaughter Mariah and loved Mariah more than words can describe.

Dana lived a full and vibrant life and maintained her sense of humor through

many years of illness. Her family misses her dearly.

A private ceremony to honor Dana's life will be held, at her family's discretion.

“ Dana was my best friend and the strongest person I ever knew! Her perseverance and great sense of humor sustained her through many illnesses. She and Dennis introduced me to cruising. She insisted on having surgery five days before a cruise so she could get her defibrillator before we left! She was so excited to get her chair lift, calling me to come "ride" with her! I know this loss is hard for me and I can only imagine how hard it is for Dennis, Courtney, Marcus and Mariah! Dana will live on in our hearts forever! Rest in peace, my friend!

This is a roommate from Columbia Commercial College. Susan Blackmon, then, now Susan Carroll. I live in Lancaster. SC. I loved Dana. I last saw her in the mid '80s at the motel. Just took a hunch and stoped to see her. I've thought so much over the years about her. I keep in touch with several of the girls we roomed with. It's funny, three of us started second careers as nurses. I am so sorry for your lose. She was a great person, and friend to me, although she had probably forgotten me. She will live in my heart also, for my next years! I hope to see her when I get to Heaven. Oh , that will be so much fun 🙏❤️
