“ Hi Merrie Lou & Family, May you find comfort, peace & hope in this time of sadness. Dane helped so many people & was a great person to work with. I'll never forget the time he stopped in to wish me the best on my retirement. I'm having lunch today with some former HNB employees and I know the conversation will be what a great guy Dane was and all he did for HNB. Jim Harriman is retiring this month after 28 yrs. & at 55. Merrie Lou you take care and you have our love, prayers and sympathy at this difficult time. Sincerely, Mary Ann & Howard Hunt###imported-begin###Hunt, Mary Ann/Howard###imported-end###

“ Dear Mrs. Montague, Mitch and Kim, I would like to extend condolences from myself and family for the loss of your husband and father. I remember your family foldly, although it has been forty years since we were next door neighbors on Phillips Road. I also share your sorrow and understand how hard this time is. Our son-in-law died January 22 from cancer and his funeral was today. Mrs. Montague, I seem to remember an old sewing machine and you sewing in the kitchin window. I hope you still love to sew as much as I do. Mitch, I remember you were a pretty girl and liked to sun tan in the summer. Kim, you always beat me playing 4 horses at the basketball hoop on the garage. Ann Sanderson and I were Tiger Swing Band Mon's together for the last few years. Her daughter was a band person and my son was the Drum Major for 3 years. What a small world. Didn't mean to ramble on so,I guess the emotion of the day finally caught up. God Bless your family, Sincerely, Brenda Harsch Wacker###imported-begin###Brenda Harsch Wacker###imported-end##

“ MerrieLou, I was saddened to hear of Dane's passing. It's been forty years since I had the pleasure of working with him at the City Loan in Massillon. Dane gave me my first job after being discharged from the US Airforce in 1960. Working with Dane was a learning experience that helped shape my life.###imported-begin###Ron Wincek###imported-end##
