“ Dear Scott and Earl; When we moved to Myrtle Beach I couldn't have been luckier then to move across the street from Danae. There are just so many great memories of our younger days together. She was a great friend and she will be missed horribly. We had lost touch over the years, but recently we had touched base via e-mail. It was so good to hear from her and I knew she was happy. My thoughts and prayers are with all of you and I know she is living in peace with her mother.##imported-begin##Shannon Maxwell Corbin##imported-end##

“ I am so sorry to hear about Danae. She and I had been like sisters for many years. She was a special person who had always been there for me . Through both the births of my daughters and when I went through alot of rough times in my life. I thought of her often even though the last few years after the motel was sold I lost contact with her. Still my heart mourns the lose of my friend. May the Lord take her in his arms and keep her safe on her journey. Love you , Your friend Sharon##imported-begin##Sharon R Johnson Cruz Reyes##imported-end##
