“ To Danny's entire family, Complete shock came over our entire family who knew Danny from NY. We were very close to him and lost touch for some time but the Lord brought him back into our lives over a year ago. We spoke to him frequently on the phone and Bruce enjoyed talks over the radio about many life issues. We looked forward to spending time with Danny, Holly and the boys here in AZ as well as SC and are saddened that he will never get to spend time with us here on this earth but are comforted in knowing that our separation is temporary and look forward to be reunited with him in heaven. Danny was a true person and will be greatly missed by all who knew him but a piece of his spirit will live on in all of us. We are very sorry we were unable to make the services this weekend but please know our hearts were there with you all. Holly please contact us when you are up to it we would love to speak to you. All of our love and prayers are with you all, The Bower Family##imported-begin##Tara & Bruce Bower##imported-end##

“ Dan was clearly a good man with incredible talent, loyalty to a cause and most of all heart. I am deeply sadden by what I consider a loss of a fellow "band of brothers" and most of all a new friend. Dan reached out to me within days of the completion of the build. His words and excitement were overwhelming. He truly was one of the MVP's of our build and a damn good guy. Please pass along any information you have so we can pay the proper respects to a man whose support and efforts will always be remembered and appreciated. Thank you. “ Dan was a tremendous asset to not only the mechanics of the build but the spirit in which it was done. He very quickly distinguished himself as a capable and talented leader and did so with the grace and heart of our â??Band of Brothersâ?. I remember greeting him when he got there and he didnâ??t say a word about just driving 16 hours with no sleep, he only wanted to get to work and help. Please share our condolences with his family. He truly embodied the soul of the efforts of this great group and its mission.##imported-begin##David Hall##imported-end##

“ Dan was truly a phenomenal man , he gave of himself to complete strangers with out question . On the Extreme Makeover builds he was truly a member of the team whom we would have never made it without . When the chips were down you could always depend on Dan to come through for you . When talking to him you could just see the true joy that he got from helping people whom could not help themselves . In less than a month a child will experience a life long wish that Dan made possible through Make A Wish . The world surely will be a better place because of the difference that Dan made in so many peoples lives . It was a blessing to have known him .##imported-begin##Harry Dill##imported-end##

“ I have the greatest memories of our days playing 'up on Maxwell'. Danny was a huge part of that. All of us riding bikes, taking turns speeding down on someone's 'Big Wheels' and playing red light green light until dark when our parents called us to come home. We all grew up doing all of that together and know Danny cherished those times as well. He would let me take turns with his bike even if it meant him not riding - because he didn't want to ride my girly bike - he was that kind of kid. I'm glad I have those memories to share. To Marion, Dan, Diana and Joe I'm sure you all know how much he meant to me and all the kids, his friends, in the neighborhood on Maxwell and Balfour. To Holly, Christian and Nicholas, know that Dan meant so much to all of us. I hope these words convey what a special part he played in the lives of the friends he grew up with. ~ We love you Danny ~###imported-begin###De###imported-end##
