“ *I am so sorry to hear about Daniel's death. I have not seen him sense 9th grade but, I always thought so much of him. He always made me laugh and could brighten a room. He was always what I would call a "true" friend. I have peace in knowing that he is with our savior. Love you Daniel and will miss you.*

“ Truly sorry for your loss. Death is a cruel and difficult thing to deal with. I recently lost my wife and was having a hard time dealing with her death, but then I read a brochure entitled " when someone you love dies". The information in this brochure was very helpful in walking me through the many stages of grief and coping with her loss. If you would like a copy I can get you one.
