“ I am so sorry to hear of Danny’s passing. Danny and I graduated in 1963 from NHHS together. Danny played basketball and I was a cheerleader. He was such a good and sweet person. I have wondered where he was living. We have had class reunions but I Dont think he made it to the ones that I was at. I send his family prayers of peace and comfort. Treasure your memories. I have many good memories of Danny from our high school days.
