“ *Sally, Cassie and Family, Although words seem to say so little, I hope they help in some small way to ease the sense of loss that you're experiencing. I can never think of a day when you and Dan didn't light up a room when you came in, a warm hug, a kind word...a bad joke. He will live on in our hearts forever with such happy memories. He touched so many people, brought joy into so many lives. You and Dan gave me my first job, what good times we had. I watched your girls grow up and again our paths crossed as I trained Cassie! I'll never forget all the good times we shared, the laughter. I know Dan is in a better place and no longer suffering. All those who knew and loved him will truly miss him. You are in our thoughts and prayers. From my family to yours our most sincere condolences... With Love and Prayers, Lori and Family##imported-begin##Lori Larson-Bleuer##imported-end##*

“ Dear Sally & Family, Dan will be sadly missed by all of us that he touched. He had such a special way with people. Dan had to be one of the funniest persons that we ever knew. He made us laugh anytime anywhere! When we moved to Myrtle Beach we didn't know anyone and "Dan" made us feel welcome. We had many happy lunch hours at the "MOOSE." Everyone in our family has a special memory of Dan. He had a way of talking to all of them. Our prayers are with you and your children. Dan will live forever in all of our hearts.###imported-begin###Bruce&Carolyn Boocks & family###imported-end##

“ Sally, we both lost our best friend. Nobody will ever replace Dan in my heart. I will cherish the memories of my time with both of you forever. Diane and Dottie and I and Mike and Marybeth all met last night to share our feelings and cry a bit. OK, a lot! We even all had a scotch in Dans honor and we don't even like scotch. Dan always told me to look at the positives in life and not dwell on the negatives. He lived a full and rewarding life and left us all with a full slate of wonderful memories.
