“ Becky, We sympathize with you in your daddy's death. Through the years we've enjoyed our visits with both your daddy and mama in various places they've lived, most of them overlooking some water! Have visited your daddy only a time or two since your mother's death. On our last visit we took a ride through the country and he showed us some "hunting" land he'd bought. Then we ended up at a cafe where he treated us to a delicious lunch. As always, a good host! We have such wonderful memories of both your parents. We're not going to be able to make it to the funeral. Kromer has a doctor appointment scheduled for tomorrow morning in Laurinburg and we wouldn't be able to get down there by one o'clock. We'll be thinking about you. With love, Kromer and Sara##imported-begin##Kromer and Sara Stephens##imported-end##
