“ I am so sorry to hear of the passing of Dario. I met him at the beach while helping a friend. He was always so kind to me. I have been out of work since the twenty-seventh of September. I saw Dario the last day I worked and he said to me, " I'm going to pray for you because I like you." I'll never forget those words. It meant so much to me that I was his friend. He was a hard worker who loved his family and didn't mind telling anyone that he did. Dario will be truly missed by many. May God bless you and help you through this difficult time. You will be in my thoughts and prayers.
