“ My deepest sympathy to Darlene's family. I worked with Darlene for a number of years at CIGNA in Corporate Marketing - she was always cheerful and upbeat, a really wonderful and sweet person with such a great can-do attitude. She could always seem to make things happen, and did so with a smile. A lovely person!

“ My condolences and prayers to Darlene's family and friends. I was a coworker of Darlene's in CT She lived one town over from me so we always seemed to run into each other at the muffin station in Stop and Shop in Granby where we would discuss/solve the world's problems. She always was cheery with that great smile and had a warm personality.
Heaven gained another angel.
