“ Dear Family:

I am writing to extend my sympathy to you on your recent loss.

Would it not be a wonderful thing to see our loved ones free of all sickness and pain, alive here on the earth? “He will actually swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces. And the reproach of his people he will take away from all the earth, for Jehovah himself has spoken it.” (Isaiah 25:8)

The Bible assures us that this will indeed take place. The scripture found at John 5:28,29 assures us of that hope: “Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out ...” John 11:25 – “Jesus said to her: ‘I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life.’”

We can be confident that the Grand Creator who is not capable of telling a lie will make this a reality very soon (Titus 1:2); Revelations 21:4,5: “And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. And the One seated on the throne said, ‘Look! I am making all things new.’ Also, he says, ‘Write, because these words are faithful and true.’”

May the aforementioned scriptures be of some comfort to you as you go through this difficult time.

I went to High School with Darlene and was Blessed to have been her friend. Though the years had taken us apart we still ran into one another and reminessed of the years. She was a wonderful person whom I know will be dearly missed.
