“ Dear Beverly Family, My thoughts and prayers go out to you. Although I have not seen Darrell in years, he was someone you just did not forget. In high school he was one of those guys who just had a zest for life and the happiest most outgoing personality. A fun person to be around. May his memory be eternal. Robert Lewis . “ My thoughts and prayers are with the family. I have fond memories of the days at First Baptist. My Mom called Darrell one of "her boys"...I still remember that! I am sorry for your loss.

“*Darrell was such a likeable fellow. I guess I met him around 8th grade through Lauries' IGA and the band. He always had high energy and offered to help with anything he could. I'm glad I had the opportunity to work with him, play in the band with him, and call him my firend. May the good Lord give you peace and comfort and hold you close during this sad time.*

“ I remember Darrell and Bill mowing Grandma Graham's yard. Westley and I were small and Darrell and Bill seemed SO much older than we were. Grandma would have Westley and I bring each of them tea on the hot days while they were working. Bill was a serious worker, and rarely stopped for anything. Darrell, on the other hand, was quick to stop and joke around with both of us about anything and everything.

I remember he and Bill coming into Grandma's house for dinner - she always made them stop and come in to eat "through the heat of the day". They were both very polite but Darrell seized every opportunity to joke and try to make Grandma laugh. He seemed to want her to tell him to "stop cutting such fool". I remember dinner with the two of them being a fun time.

Please know that you are in our thoughts and prayers. We love you and loved him!
