“ Betty, I am so sorry to hear about Darrell. I remember as a kid going to Gran's house and you guys were always there. He was a very good man and loved his family dearly. . Although the pain is new and deep, and it's hard to imagine living in a world without him, he is at peace and no longer suffering. He now looks down from Heaven and will watch over all of his loved ones that he left behind. Pam, (and Zachary) you were his pride and joy! Losing a dad is tough, I know. But he will always be there. In the moments when you least expect it, a scent or sound or memory will bring him back to you. You will truly be blessed for taking care of him during his suffering. Thank God that his suffering is over and he has finally found peace.
Sincerely, Evelyn

“ Betty, Pam and family. I was so sorry to hear about Darrell's
passing. Although it has been a long time since we have gotten
together or even seen each other I still have good memories of
Darrell, one being driving us to work in his jeep and sliding
everywhere. I know you feel so much pain right now, I know this first
hand but we have to believe that we will see them again. If you
need me, please call. Love you guys. Pam Smith Wooldridge
