“ Daryl was one of my best friends in high school. We played all sports together, starting with Little League and all the way to varsity at Fort Ashby High School. I even remember staying at his house when we were kids doing lots of different things. I lost touch with Daryl when I left for the military. We had talked when he first went to Myrtle Beach and I had hoped to visit him and Debbie. I spoke with him about 3 weeks ago and we talked about the good 'ole days. My last words to him were "I love you man". He told me the same. I guess I am naive in thinking this would never happen to a young man who was otherwise healthy. Daryl was the best friend anybody could have had. My heart goes out to everyone in his family. I'll never forget Daryl and was fortunate that he was a part of my life.##imported-begin##Marty Kesner##imported-end##
