“ Years ago, my best memory has to be Dad singing and playing guitar "On Top of Spaghetti" and "Hang Down Your Head Tom Dooley". In fact we talked about it this past Father's Day. Of course, all of our summer vacations and the car racing scene are memorable as are the many Christmas Eve parties. But more recently, and of more significance... it would be about helping Dad and Ruby during this period of illness; our annual Thanksgiving visits for the past 6 years since we moved to Houston; and, learning & growing through one of Dad's favorite bible verses: Pvb 1:7. God bless, I know you are not suffering in pain any more, but you will be dearly missed. I love you. Julie##imported-begin##Julie##imported-end##
