PR

“ We want to express our sincerest sympathy to the family and friends of David(Toby) Bailey. We were only neighbors of David's, but we really felt like family the last year of his life. We are glad that we were there for him, when he needed us, just like he was there when we needed him to keep an eye on Mother after she succumbed to alzheimers. We have a hole in our hearts for David and a big void in our life, just looking at his home everyday brings a loneliness that can not be explained, since we were not related. We know however, thanks to the nurses at the hospital that he loved us too and that puts us all at rest and knowing that the good Lord above will give him a new home, hopefully with his daughter and our Mom. Rest in peace my friend, we will never forget you. See all of his family and friends on Jan. 10, 2015 at 11:00 AM to say our last goodbyes. Lonnie and Phyllis Rutland.
