“ You left a lasting impression on our lives! Our kids gained a new Aunt and Uncle since they were babies. Your laugh and smack talking will be missed to Nick Lol. You could always shut him up Birch Lol. Jayce one day at a time baby. You're a very strong woman and I've always admired that about you. I know it may seem impossible now but I know you'll pull through this and be able to smile at your memories without crying. Love from your family forever, Nick, Lo and the Kids 🥺

“ I don't even know where to Begin, Dave was loved by so many and had an immediate effect on everyone he encountered. I met him when I was a young girl, and now with a family of my own, Dave has always been a huge part of my life. We shared so many memories, laughs, hugs, and stories, and I am blessed to have had him as a friend. Rest easy my friend, and many prayers for all of his family left behind. Jaycee we are thinking of you!!
