“ *Kathy and family  
I don't know if you remember me but David was a security guard at  
Outlet Park in the 80's when my sister and I worked there in one of  
the stores. He was one of the nicest men I have ever known who  
truly loved his family.  
My niece Lindsey was born about the same time as Beckie and they  
actually went to school together.  
Just wanted you to know how truly sorry I am and that you all are in  
my prayers.  
RIP David

“ *We have so many happy memories of David. From the little boy, to the wonderful man he grew to be. Camping trips, family get-togethers at the beach, his beautiful wedding to Kathy. His smiling face and gentle ways will be with us always. We love you David, from the bottom of our broken hearts.*
