“*Dave was my best friend for over 60 years and will be sorely missed. He was a dedicated and active church member. He was my roommate at OSU for 4 years and struggled getting up for his 8 o'clock classes! Dave loved to tinker as his garage will attest. We have fond memories of the vacation we took with them to Alaska in 2019. In recent years we frequently kept in touch. We spent January 1st & 2nd this year visiting Dave and Julia laughing and swapping stories. Much love to Julia and his family*
