“ I haven't seen David in years but use to be real close during junior high school. David I know your children, your mother and your siblings will all feel lost w/out you and I pray the Lord that HE sends a comforter to ease their pain until you all meet in heaven one day.

“ David was the kind of friend that would stick with you through thick and thin. When he lived in North Carolina we had a lot of good times on the job working, doing roofing and carpenter work. We liked to work on cars and go drag racing which involved many other people. David was kind hearted and always willing to help anybody who needed help. There are not many people that you find in life that you can really call a true friend. I loved him and will miss him forever. Tim Eckloff

I'm sorry for your loss, my Prayers and Thoughts are with you, all. You don't know me, I am Shawn Pollard's mom. I met David through my son and I want you to know, it was my pleasure. David was such a kind and caring man, who spoke often of his wife, mom, and the rest of his family. He stole my heart the first time I met him, speaking of the Love of his mother and the love he had for my granddaughter, Masey. I will surely miss David and I know you all feel the same. If at any time, I can do anything, to help you. Just let me know. With Deepest Condolences. Margaret

“ David lived life to the fullest. He always had a funny joke or a witty come-back. He loved his family with a passion and was the first to defend his children if needed. David will be missed by all who knew him including me his first cousin Ronald E. Bracy. David, may you rest in peace at the right hand of God...
