“ *I will always cherish the times we had growing up and always sharing birthdays with you! Those are my best memories! You were loved by so many people. You and Missy were like a brother and sister to me growing up and I will definitely remember all the good times that we had! Your daddy and momma were always there for me and I will try my best to be there for them. Daniella, your children, and your grandchildren will be in my prayers because I know how much you loved them. I will miss you always until we meet again!*

Missy, My heart truly breaks for you and your family! Your brother is a year older than me and it's truly a testament of how very short life is. I pray that God wrap his loving arms around all of you and comfort you as only he can. Much love to you.

David, Mary and Missy, I know what you all are going through. I'm sorry for your loss. Mary you have always been a strong woman and you will make it through this. God wanted a new angel in Heaven and yesterday He called His child, David Bratcher, home to live with Him.
