“ To those relatives of David whom are suffering, I am deeply sorry for your loss. David was an amazingly selfless and caring man and he would have done anything for anyone. I'm a student at Coastal Carolina and I looked forward to talking to him every time I went to the café. Just know that he made the best impression on everyone and there is so much love here for him. I sure hope he knew how much he meant to me too. Stay strong everyone. Much love and support for all of his family and friends.

What a pleasure it was to know Dave. I have worked with him all these years at Aramark and he will be missed. He was so caring of others and always had a smile on his face. To his family just take comfort in knowing how much Dave was loved.
