“ I was very shocked and saddened to learn of Bo's passing. I will always remember him as the cute little boy, full of energy bounding on and off of our school bus. Would like to have been able to visit with you all at the visitation or the funeral. Had a health procedure done in Wilmington on Feb. 2 and had to rest at home the next day. Please know the family, especially, his wife, daughters, and mother and sisters continue in my prayers. I remember his mom and sisters fondly.

“ *To my big brother, I don't understand why you had to leave, but I know the Lord knows best, even if we can't understand. I know we always fussed with each other, but I loved you so very much. No matter what, we always stuck together. I'll always miss you, I'll always love you. You always told me "it'll be alright about everything that ever happened, but it will never be all right this time. I love you so much. You told me you loved me the last time we talked, I'll carry that a lifetime.
