“ What do I say????? I have lost my best friend, I can't eat or sleep all I can do is work and try to ease my mind.. I feel an empty spot in my life and an empty spot in my heart. You was there for me and I for you. You was my brother I didn't have. You always made me laugh and we had some great times together. It's going to be hard not seeing you every day or every other day.... Now I'm trying to find peace as I'm heartbroken. David, you was my best friend and I am missing and going to miss you for a long time... I love you Brother may we meet again on the other side.....

“ My friend David, I am so heart broken. You really were like sunshine on a rainy day. Your smile was a million dollar smile. Such a kind heart!!!
We have been friends for what seems like forever. You were my first motorcycle ride! You will forever be in my heart. I am so thankful to have reconnected as friends on face book. Sending your family and friends lots of love and prayers. No doubt you will shine on in Heaven and with the angels.
