“ Goodbye my friend David. Now you can go to work without everyone trying to stop you. I will miss our rational moments together but know now that you are resting peacefully. Dawn and Cyrus will be just fine as you will be watching over them. Again goodbye my friend - you will be missed.##imported-begin##Marion Graham##imported-end##

“ You may or may not remember me. My father was Dale, your father's oldest brother. He also died on April 5, in 1985. Even more coincidental, it was also Easter weekend that year. I'm sorry for your father's passing; however, I am certain he is in a better place and rejoined with your mother.##imported-begin##Jo Etta Cunningham Clovis##imported-end##

“ I would like to express my sympathy to the family. I hope you are finding comfort in the time you spent with your dear loved one. Please find comfort in the hope expressed in the Bible at Revelation 21:3,4 where it tells us that mourning, pain, and death will be things of the past. I hope you find comfort in this hope. Feel free to email me to comment or if you have questions. Again, please accept my condolences.##imported-begin##Margaret##imported-end##
