“ Cathy, Anita, and Elizabeth,
My heart hurts for your loss and I can't imagine the pain you are feeling. Your family is very dear and special to me, having always been my South Carolina family over the past 20 years. I know you will miss the laughter, the smiles, the conversations, and even the stubborn moments. Cherish those memories, as memories are something that can never be taken away. May God wrap his arms around you today and the many days to come, and give you the strength needed to make it through this difficult time. You will always have a special Angel looking down upon you. Hugs and great big prayers are being sent from Virginia. I will see you soon! Love you!
