“Daddy: Your unconditional love has been my soft place to fall when I didn't even love myself. Arms wrapped tightly around me, you picked me up and brushed me off and told me "honey it's gonna be okay". Your words always rang true and I'd move on because I was the luckiest daughter in the world because God blessed my life with a Daddy like you. When God calls on me I want you to be the first person I see. Hearts and hands linked our love lives on. Eternally loved, your grateful daughter Ami.##imported-begin##Ami##imported-end##

“ David was certainly a wonderful person and friend who I shall miss very much. Working with him at Piggly Wiggly in Surfside for those years, was a wonderful experience that I shall always treasure, especially his smile that he always had in good times and bad. His co-workers and his customers will miss him very much, for he has touched many people with his kindness and concern with their needs, that will always be remembered, as the very special person that he was. David my friend, I know you are in a better place and thank you for being a part of my life. God needed one more angel and He picked you....##imported-begin##Frankie Davis##imported-end##
