David Alan Rastello, age 49, died Tuesday, April 5, 2011 at his residence.

Born in Rockford, Illinois, Dave is survived by his parents, Joan and Bobb Rastello; his wife of 28 years, Alethea; and their two daughters, Krista and Katie; sisters, Debra March and Diane Rastello; and nieces, Lisa Stone and Christina March. Dave's main priority at all times was to provide for his three girls. Dave was a scratch golfer and previous head golf professional at Heritage Golf Club in Pawleys Island. Later he owned Dave's Inlet Golf Shop in Murrells Inlet. Dave ended his golf career at Prestwick Country Club. He also enjoyed his many years in the construction business. Dave was loved by all who knew him for his kind and generous nature.

“ From the first time I ever heard Alethea talking to Dave on the phone I knew from the one sided conversation how much Dave loved his family. Dave took such good care of his girls and made sure they had everything they needed. I have never known such an amazing father. Working with Alethea I would get to hear all sorts of stories about Dave. I remember Alethea telling me how he would watch the movie *Father of the Bride* even though it made him sad and think of his girls. His girls were his world and anyone that knew him, knew that. I could go on about him because he was such a likable man. I know without a doubt that he is in heaven. My thoughts and prayers are with the Rastello family.

“ Daddy Dave was the best dad anyone could ever ask for! In his words he was "the cool dad." We made so much fun of his bubba shirts, jean shorts, ugly flip flops, the grunting, and his other little ways, but I wish we could have it back for just one minute. He was always on our side and loved us with everything he had. Even up to his death, he put our family first. He will definitely bring laughter and smiles to everyone up in heaven! I love you dad!

“ "Daddy Dave" is how my girls so fondly referred to Dave. He was a joy to us all and I will always be thankful that he was part of both of my daughter's lives while growing up with Krista and Katie. I know that heaven is a brighter place because he is there. We love you Alethea, Krista and Katie and are so sorry for your loss. He will be forever missed.

“ Rastello Family, I am so sorry for your loss. Dave was a warm, sweet, family man. I remember with a smile, the sound of his voice when he returned a phone call...."this Is Daaaaaaave". He helped me in so many ways, I will always be thankful. Taken too soon. Rest in peace.

“ Dave will always be remembered as the man who loved his family oh so very much. He was always on the soccer sidelines cheering on his "Katiebug" (I don't think he missed a game), or talking about how great Krista was doing in college or how beautiful Alethea sang in church. If you talked to Dave it was always about his family. Our soccer family had some really fun times together and Dave was such a big part of that. We will miss Dave so very much. We have lost a dear, dear friend.

God Bless the Rastellos.

“ I remember my days at Forest Oaks fondly where I met Dave. What a pleasure it was to see Dave meet, fall in love with, marry, have kids with, and become best friends with Alethia. What a pleasant surprise to find out that in 1989 when I moved to this area that Dave and his family lived here.

The thing I will always remember when I think about Dave was his infectious laugh.

To Bobb, Joan, Diane and the rest of the family - You can be proud of the son and brother you raised so well and grew up with.

To Alethia, Krista and Katie - You and Dave will always be in my heart and may God bless you.

Dear, Sweet, Diane,

You know how much Dave meant to me. He helped me through so much with his goofy, loving, sweet nature. I loved him like a brother and can't imagine what you and Mom Joan and Dad Bob are going through. He was an absolute Sweetheart and I will never, ever forget him. I am here for you, Sister. I love your family, you have all treated me as one of yours, and that, too, I will never forget. May God bless you all and give you peace. I wish Daddy could have known Dave on Earth, he would have loved him. I asked God to introduce them in Heaven. Trust me, when those two get together, they will have a fine old time.

Sherri*
