“ David was the manager of the old Lancaster swimming pool (behind the library) when Bobbie Hagins and I taught swimming lessons for the Red Cross. He was always smiling and encouraged each child to do their best. He was one of a kind and we need more like him.

“ I will never forget David. He supervised our neighborhood playground for two summers in the 1950s while he was in college. It was during this time he taught me the correct fundamentals of playing baseball. I was at that playground almost every day. Later I would come to know him professionally, he as a principal and I as a reporter and editor. But the best was playing fast-pitch softball ball with him. He was a good man and a good friend.

I am surprised I did not make a post when I learned of David's passing. As others said, he was a terrific teacher (I was in his biology class at LSH). I knew him outside school. He was serene and smiling always. I was saddened when he passed and indeed still am. Rest in peace, David Robinson.
