“ *So sorry to hear about Scotty. He was a great man and friend. I'll never forget how eager he was to help any of us do anything that was needed. Such a kind man, and even though it was hard for him to do some things, he never complained and was always willing to try. This world would be a better place with more "Scottys." My thoughts and prayers are with y'all!*

“ *Rest High On The Mountain.. The kindest and most humble man I have ever known...A man of few words but when spoken they were always profound...He never put himself ahead of anyone. A true servant to those who knew him...When you mentioned his name, "Scotty" most people knew who you were referring to. Godspeed to Francine and family as you morn the loss and celebrate his home-going.....*
