“ I am the mother of his second child. Her name is Quamya Shavon Harriett. She is 7 years old. She finally got to meet her father in August of this year. Even though he never really got to know her, I feel that if he did, he would have been a wonderful father. The time that I did have with him was great, and I wish Shane and the girls could have many more, but they can't. I really would like for my daughter to get to know the other side of her family. I'm sorry about the loss, but in a way we all lost someone very dear and special to us.##imported-begin##Carla Harriett##imported-end##
