“ *Dave was very under standing with my schooling and always worked with my school schedule. When I was in WV and wanted to come back, Dave found a place for me back at the store, He helped me grow up and taught me about life and allowed and vouched for me in order for me to move up into management. He was a great person to work for and will be missed very much.*

“ Dear Karen,  
Please know that you and your family are in my thoughts and prayers. We all loved Dave and enjoyed working with him so much. Thank you for sharing him with us. He always had all the answers to my questions. There will never be anyone who can fill his shoes. May God wrap his loving arms around each of you and bring you comfort in the days ahead.
