“ David and I were friends since kindergarten. We were in the same class every year. While in middle school, we found out we were related and from that day on, he was my cousin. I loved coaching our Tigers together on Facebook and will miss him terribly. Rest easy cuz.

“ David was a friend of mine and my brother, Scotty. David was the most knowledgeable about the Civil War. He was very proud that his family fought and was a loyal friend. I've stayed in touch with David through the years and know that he will be able to rest. His family are great people and I want them to know that I am truly sorry over what has happened. God bless.

“ Shirley and Johnny, my heart goes out for the two of you. I sorry that I didn't get a chance to see my old buddy again. I'll miss him but fondly remember the good times we had growing up together. Thanks for putting up with us during all the sleep overs and camp outs at Uncle John's farm. God Bless you both in these tough times. Tracey
