“ To the Travis family -

We're so sorry to hear about Wiley. Richard and I met your father at the VFW many years ago when visiting there with my father, Don McDowell. And we had the privilege of spending the day with him in Washington DC a few years ago when he flew here with the WWII veterans on the Honor Flight. We both have many good memories of Wiley and his great sense of humor. He was a wonderful man, a good friend, and will be missed greatly by all of us who knew him. You all are in my thoughts and prayers.
