“*Scottie and my mom, Gloria Cruikshank, we're close friends, and our families shared many happy moments...she was definitely an important part of my youth. I have wonderful memories of Sunday's at the beach, summer barbecues, her cooking(esp. her meatballs), and all the snacks that came after 'girls' nights! I was blessed to keep in touch with her after my mom passed, and I cherish her cards(paintings) and letters. My sincerest sympathy to Janice, and all of her beloved family. I definitely share in your profound loss.*

“*My parents, Mary & Walter Watras, were good friends with Mr. & Mrs. Cowdrick. Mrs. C and I kept in touch after my mother passed away in 2017. They were lovely people, and I enjoyed seeing them. She had a great gift for art! She had a long and full life; may she Rest In Peace and her family be comforted.*

“ Sorry to hear the passing of our dear neighbor Scottie, what a wonderful friend and caring person. She loved her Kitty Cats and would always let us know when a new one arrived. She always had a smile on her face and for sure she will truly be missed. To the family you will always have wonderful memories of you mother and grandmother, cherish them for ever. May GOD bless the family at this very sad time.

Love,
Frank and Mary Venegas

P.S. We met Tom and Scotti back in 1984 when we were both building our homes. What a beautiful and wonderful couple with a friendship that lasted through the years.
