“ I sure remember Mr. Edge as a little boy. My family stayed at Venture Inn until I was in my later teen years. My family is the Johnson family including Jim, Margaret, Donna and me, Jimmy Jr. I remember having my birthday every year at the Venture inn on June 13th. Dave, Brettie, and Tammy always had ice cream or cupcakes every year because my birthday and Tammy's birthday were very close. My family will never forget this family; they were like family for us too. Dave Edge would sometimes let me use the water hose to wash off from around the swimming pool and squirt water on the palm trees between the pool and the parking spaces. We would ride with Dave in his golf cart to the see the ocean. The Edges even let me stay on their couch one weekend until my family arrived for the remainder of the week. I can still hear the music and the clicks of the Swamp Fox roller coaster in Family Kingdom.
