“ Dawn will be missed. She was very supportive of all appraisers in SC and especially contributed to SCPAC both on the state and local levels. Her enthusiasm and unselfish efforts to improve the appraisal profession will always be remembered. Dawn always had time for other people, from fellow appraisers, support groups and to abandoned animals. Our prayers and sympathy go out to her family. We were all blessed to have had such a special person in our lives.##imported-begin##Pamela Ness##imported-end##

“ Our heartfelt sympathy goes out to Dawn's family and dear friends. My husband and I met Dawn through the Alzheimer's Support Group and became friends outside the group. We appreciated her honesty and enjoyed her sense of humor. A short time ago we both had the opportunity to read her recently completed book on Alzheimer's which she titled "Alzheimer's The Modern Day Leprosy". We were delighted with this worthwhile accomplishment and sincerely hope it finds it's way to hard-cover and the audience it truly deserves. We all lost a talented writer and a great many other things. A few months ago Dawn asked me to accompany her to a doctor's appointment in Charleston for moral support. She and I went twice and although the reason for the road trips was not the best, our time together was. I got a chance to know her better, share stories and discover we've had some similar experiences. It's a special memory I have now that I will cherish. She will always have a special place in our hearts. With deepest regrets, Bob & Linda##imported-begin##Bob & Linda Buono##imported-end##

“ My children are going to miss their Aunt Dawn so much. Jack, Alec & Jamie would call her Aunt Bugs and tease each other and send her cards with bugs. Alec is going to miss sharing his birthday and instead of calling we will now send balloons to you. I know you and Michael are together now, I wish it hadn't been so soon. Dawn always went out of her way for us and I miss her.###imported-begin##Carol Caola###imported-end##
