“ Dawson, you lived a beautiful life, even if it was cut so short, you were a fantastic person.
A life of family, joy, and tremendous accomplishments was waiting for you, and it feels almost impossible to understand that it was taken so soon. You were a truly beautiful soul, and for someone our age to leave this world is the hardest thing to comprehend.
I grew up with Dawson seeing him in my classes every day and it was truly special to have known him.
May we honor you by living well, loving deeply, and cherishing each day as you would have.. now that we all know more than ever that tomorrow isn't promised for anyone.
Though it feels almost unreal to say, and with a heart weighed heavy, rest in peace, Dawson Adams.

“ *Our deepest sympathy to Jenell and the Adams family for your loss. It was such a delight meeting you Jenell and the Adams family at Rae's high school graduation. Dawson was such a trooper after graduation holding Rae's flowers, her shoes, and carrying here because her feet hurt! So glad we were able to get so many photos of the two of them. Those memories are forever in our hearts.*

Love, Mark and Kim Riley, Rae's grandparents.
