“ Joe and I go back a lot of years, and he was a dear friend, and I will surely miss him. Joe was a man that would do anything to help anybody in need. Gen, and Marie, I know that he will be missed, but he is in a better place now, and someday hope we all will see him again. If there is anything Betty and I can do, please call us. We will be praying for the family, that God will take care of you and family.
