“ *Dear Randy and Family,*

*I am so sorry for the loss of your mother. I seem to remember a friend telling me many years ago that your mother worked at a travel agency and she was the one he always called to make his travel arrangements. Randy, I know you loved her very much because you spoke of her often when you and I worked together at DCC. She was fortunate to have such a long life and a family who loved her. I am thinking of you and regret that I will be unable to make the 4-hour drive to be with you all. May she now Rest in Peace forever more.*

*Love,*

*Dean was a was liked by people for her sense and kind and loving ways towards her family. Her belief in God was just as strong as her love for her children and grandchildren. When I was last with her she lighted up so beautifully talking to her great grandchildren. She said to me at our last conversation if I die will you remember me? I answered always. She is at peace now and with her father. May God bless is soul.*
