“ *Deana was a good friend and a great neighbor. She would go out of her way to help anyone and could often be seen spontaneously mowing a neighbors yard simply for the joy of doing a good deed. She was always ready with welcoming smile and I always looked forward to our evening chats . She left us too soon and will be sorely missed.*

Deana and I rode together on the day this picture was taken, she wanted me to take a picture of her and her bike. Now it's cherished memories.
