“ Earl - Remember that your loss is shared by many friends who care and that you are in our thoughts and hearts and in our every prayer. It will be the little things that you will remember the quiet moments, the smiles, the laughter. And although it may seem hard right now, it will be the memory of these little things that help to push away the pain and bring the smiles back again. Just to let you know how very sorry we are.##imported-begin##Crystal Blanks & Scott Rush##imported-end##
