“ *The first Christmas they were in South Carolina we played “Santa” they went out for dinner with the kids and while they were gone “Santa” came to their house complete with snow. Santa even left footprints. We had so much fun surprising them Our first Thanksgiving as a southern Edgerton family we had a big gathering at myrtle beach state park. It was cold but we had much to be thankful for as a family*

*Debbie was a good friend to me. I know she went to be with God and is healthy and happy. I lit a candle every week for healing. Debbie is now fully healed! I will miss our talks and look forward to talking to her again on the other side. The Best is yet to come! 🌸🌈❤️*
