“ *Doug, George and I are so sorry for your loss and remember her being at church to hear you play. One thing I found out reading the Obituary was that Debbie came from Eden, N.C.- which I am from also but at the time I lived there it was called Leaksville, N.C. Also I knew some Simpson's from Leaksville and they had a daughter, Beverly, Susan and a son Pete. We went to Leaksville UMC and then my family and I moved to Farmville, Va. where I started the Seventh grade. Was she in the Leaksville area or from Draper or Spay area? Know that she will be missed and if you are ever back in Tappahannock we hope to see you.*

“ I will always remember our porch swing singing at Grannies. I believe our favorite song was *The knick knack song*. I am so glad we all had lunch that day after we left the cemetery where Grannie and Papa Chaney are resting. I wish we had, had more days together after growing up but I am so glad we were in touch the last few years. RIP Debbie, you will be missed by many. Continued prayers for the family.

Doug, I am so very sorry to hear of your wife's passing. I've kept up with you both since our Commonwealth Propane days and always enjoyed the pics of both of you... especially on the trike. May God be with you and your family in this time of sadness.
