“ While I was teaching from 1978 to 1991 either 3rd, 4th, or 5th grade, I had an awesome opportunity to work with and be friends with Debbie. Before their students arrived in the mornings I would occasionally walk to her classroom and Wanda France-Kelly's to say hi and chat for a very brief moment to both of them.

Debbie's personality was awesome, her smile constant, her laughter up lifting, her love for her kindergarten students unwavering, her friendships never ending.

I was also fortunate enough to be aquatinted with her husband Mark King. Mark also had tons of charisma as well as Debbie. Whenever I came in contact with Mark, he was a definite joy to be around.

They wii be with us in spirit now and for always will be with us!

“Debbie and I met at freshman orientation at Columbia College. We immediately hit it off and were roommates our freshman and sophomore years. Debbie was the sweetest, smartest, most beautiful girl inside and out and the best roommate. She was kind to everyone. We had so much fun together and all of the girls at school adored Debbie. When she met Mark she knew he was the one, and he swept her off her feet. Even though he was in Loris and she was in school in Columbia, they made it work. I remember how lovely their wedding was and how perfect they were for one another. We lost touch after they married but I will always remember how much Debbie cherished her family. My heartfelt sympathies and prayers to their children and family.

“To the family of Debbie. My heart broke when I heard of this great tragedy. She taught my son at Daisy. During that time I got to know her and became friends for many years. She was the most kind, loving, and caring person. She will be greatly missed by all of us that she touched. She gave her all to the school children and her family. Hold on to all those precious memories and she will live on in all our hearts forever. Praying that God lifts you up during this most difficult time. Love and Prayers

“ My heart is heavy with grief over the loss of my special kindergarten teacher. Ms. King was an amazing teacher who made everyone feel special, valued, and unique. I lost my own mother to cancer that year and Ms. King loved on me and I continued to visit her through high school and college. I've now been a teacher myself for 20 years and often thought of her as an inspiration and role model. My prayers go out to her family.
